Überblick

Africa Clean Energy Solutions Limited (ACES Renewables) is a clean energy solutions provider focused on the African continent. Our comprehensive services cover end-to-end solutions, leveraging our in-house engineering, procurement, and construction (EPC) capabilities. With a proven track record and a focus on Solar, Battery storage, Biomass, and Biogas power plants, we’re lighting up communities and fueling sustainable growth. In early 2025, ACES ranked as one of the top 60 fastest-growing companies in Africa. Mihigo Bienvenue Heaven’s is developing multi-compartment, solar-powered refrigeration units for use in Rwanda’s marketplaces Mihigo Bienvenue Heaven’s, CEO and co-founder of HangaVision. ACES Africa (Pty) Ltd was formed to accommodate the modern buildings of Southern Africa and Africa as a whole with high-end energy-enhancing systems to add value to our client's investments.
