SWISS SOLAR Pro.

Bratislava solarkontainer-lithiumbatterie-unternehmen

Überblick

Jetzt ist es fix: Die Batteriezellfabrik von Gotion High-Tech und InoBat wird ab Ende des Jahres im Šurany im Süden der Slowakei gebaut. Ihr Joint Venture Gotion InoBat Batteries (GIB) hat dazu nun mit der slowakischen Regierung eine Investitionsvereinbarung unterzeichnet. TESLA Liptovský Hrádok specializes in battery energy storage systems (BESS) and integrates renewable energy solutions, including solar and wind power. We combine intellectual property, cutting-edge research, and vertically integrated manufacturing to help address Europe’s critical challenges. We strengthen energy security and stability through intelligent battery energy storage. The first battery gigafactory in Slovakia is being built near the town of Šurany on a 95-hectare site and will create more than a thousand jobs. In its initial phase, it will have a capacity of 20 GWh with the potential to increase to up to 40 GWh. Our Battery can either be used to store reserve power on its own, or as a foundation for all other Polarium products.
