Überblick

Guatemalan solar panel installers – showing companies in Guatemala that undertake solar panel installation, including rooftop and standalone solar systems. Lux Aeterna provides consultations, estimates, proposals and turn-key installations of:Photovoltaic Solar Energy SystemsSolar Thermal (sun heated water) for homes or businessesSolar Thermal for pools and hot tubsLED Lighting Lux Aeterna is company created by demand. Fueled by the creative spirit and expertise of our world-class research and development team, we are at the forefront of the Photovoltaic (PV) and inverter industry. Guatemala is the 97th most popular country globally to start a company or startup and ranks 10th in South America. These include solar components (solar panels, inverters, batteries), off-grid and grid-tie solar systems for commercial, industrial and residential applications, battery energy storage systems, energy efficient LED lighting systems, solar water heating products, solar water pumping systems, mini. However, the venture’s success depends just as much on a less visible but critical factor: the efficiency of its supply chain.
