SWISS SOLAR Pro.

# Liberia solar container group

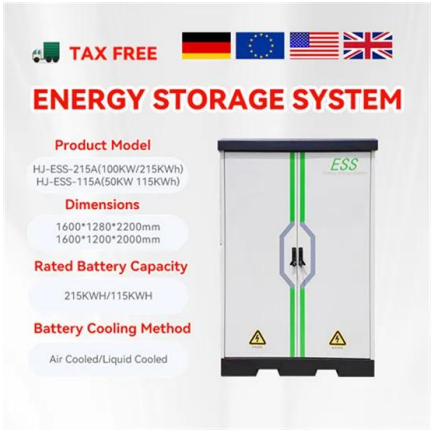

## Überblick

Scatec and LEC launch transformative 24 MW solar project in Liberia, boosting electricity access and supporting national development with innovative battery storage technology. Major projects now deploy clusters of 20+ containers creating storage farms with 100+MWh capacity at costs below $280/kWh. Stone Age International provides expertly engineered solar PV systems, lithium battery storage, and hybrid energy solutions designed to eliminate outages, reduce generator costs, and power homes, businesses, and institutions with clean energy. We innovate with solar photovoltaic plant design, engineering, supply and construction services, contributing to the diversification of the energy matrix in our. We provide operation and maintenance services (O&M) for solar photovoltaic plants.
