Here are the 12 Top Renewables & Environment Companies In Haiti In 2026 and their top employee and leadership contact details: Renewables and Environment companies in Haiti are relatively new and emerging in the country. These companies are focused on providing sustainable solutions to Haiti's energy and environmental problems. Haiti is a country located on the island of Hispaniola in the Greater Antilles archipelago of the Caribbean Sea. Solengy’s journey began almost two decades ago with the goal of solving one of the most basic problems faced by families and businesses alike in frontier markets - unreliable energy supply. Our relentless pursuit of excellence in solving this problem has made us a solar power company with solutions. Recognizing the profound challenges posed by limited access to electricity and the soaring costs of traditional fossil fuels, our founders envisioned a brighter, cleaner, and more.
