SWISS SOLAR Pro.

Mankun technology solarkontainer

Überblick

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. After years of market development and accumulation, we have established good cooperation relationships with domestic and foreign famous brand customers such as Shiyuan, Gree Electric, Hikvision, Dahua, Delijie, Desai Xiwei, Marilli, Visteon, Ningde Times, Hainachuan Haila, etc. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. Mankun Technology was funded in 2003 in Shenzhen, and there are two production sites, one is in Shenzhen and another one is in Ji'an. With more than 18 years experience, we are specialized in multilayer PCBs from single-sided PCB to 16 layers PCB, and the maximum capacity reaches to 330K □ each.
