SWISS SOLAR Pro.

New energy technology co ltd solarkontainer

Überblick

Dedicated to accelerating the global transition to clean energy, we specialize in researching, developing, manufacturing, and marketing top-tier PV mounting solutions. Our expert team crafts customized designs for diverse projects, from expansive ground power plants to rooftop solar . (NET for short), located in Fushun, China, is a Sino-English joint venture enterprise with Capital invested of 44 million dollars, and covers an area of 60,000 square meters. NET specializes in producing high pressure gas cylinders including Seamless aluminum gas. These systems harness sunlight and convert it into usable electricity, utilizing advanced technologies to maximize efficiency and output.
