New sky energy solutions

Überblick

New Sky Enenergy Solutions - Accredited solar energy installers & designers. Premium products for residential and commercial use: Fronius, Growatt, Trina, Goodwe. SaltCycle® is an award-winning chemical technology that selectively recovers useful industrial salts from waste brine streams. 9% of hydrogen sulfide from gas streams and is regenerated simply by exposure to air, dramatically reducing chemical costs and waste. We design and install premium solar & battery systems for homes and businesses in Victoria. Deane Little reflects on a journey defined by science, perseverance, a vision for a cleaner world, with a touch of timely good luck.
