SWISS SOLAR Pro.

Ouagadougou solarkontainer-kr aftwerk-integrationsunternehmen

Überblick

Their Ouagadougou flagship project—a 20MW/80MWh lithium-ion facility—powers 15,000 homes after dark using solar energy captured during daylight. [pdf] EVE Energy led with a market share of over 30%, followed closely by REPT BATTERO with a near-20% market share. With ECOWAS countries pledging 35% renewable integration by 2025, Ouagadougou's success is already influencing neighboring nations. These aren't your grandpa's lead-acid batteries – we're talking lithium-ion systems with AI-driven management, wrapped in dust-proof, theft-resistant casing. Local players like EcoPower Sahel and VoltaBox Solutions have deployed 37 container systems across Burkina Faso in 2023 alone. It integrates advanced photovoltaic modules, inverters, and electrical cabinets into a compact and functional unit. Fill out our contact form to be contacted by a consultant about your solar project. Industry, tertiary, logistics, mass distribution, we master all the problems of your sector.
