SWISS SOLAR Pro.

Shanghai gas-solarkontainer

Überblick

Established in 2012 and operating from Shanghai, China, Shanghai LZY Energy Storage Co. is a scientific and technological innovative enterprise committed to mobile solar container solutions and energy storage systems. Every October, the European multimodal transport exhibition in Spain becomes a global stage where modern logistics, renewable energy, and next-generation mobility solutions meet. 4 November 2024 (Lloyd's List) - SHANGHAI aims to be a frontrunner in the bunkering, trading, and certifying alternative marine fuels, with a goal of supplying at least 1m tonnes of green fuels by 2030. The city plans to set up a bunkering system by 2030, sourcing supplies locally and from projects. Solar containers are not just portable solar panels - they are complete, turnkey solar power stations housed in standard shipping containers.

Shanghai gas-solarkontainer

New LNG Bunker Vessel will operate with fully integrated

Our main focus areas are the handling of gas in maritime (storage, fuel, transfer and BOG management), gas to power, liquefaction and biogas solutions. We help our customers on their
