SWISS SOLAR Pro.

Sinosteel internationaler solarkontainer

Überblick

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. Sinosteel has formed three bottom lines based on economy,environment and society in combination with the concept of industrial sustainable development. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar.
