Überblick

Nairobi-headquartered off-grid solar energy company Sun King has finalized a $156 million deal to expand off-grid solar installations in Kenya. From affordable multi-room solar lighting and phone charging through to powerful solar inverters that power your home or business around the clock, we offer the solar solution that suits your lifestyle and your wallet. Sun King closes a $156 million (KES equivalent) securitization, the largest and first majority commercial-bank-backed deal of its kind in Sub-Saharan Africa outside South Africa. Backed by private capital from ABSA, Citi, The Co-operative Bank of Kenya, KCB Bank and Stanbic Bank Kenya. Our store works closely with Sun King distributors to ensure we avail the best prices for Sun King products. This funding furthers its mission to bring affordable and reliable solar power to underserved communities.
