SWISS SOLAR Pro.

Supplier of bungama bess

Überblick

Amp Energy has selected technology group Wärtsilä as supplier for a 150 MW / 300 MWh standalone battery energy storage system (BESS) in South Australia. Revera Energy (Revera) is a new, independent energy infrastructure solutions platform backed by Carlyle Global Infrastructure which comprises projects and operations in South Australia and New South Wales acquired from Amp Energy Australia. As the Balance of Plant (BoP) contractor, Enerven is proud to deliver the critical electrical works for the Bungama BESS. Located in Bungama, stage 1 of this multi-stage project will be supplied to Amp Energy, a global energy transition platform.

Supplier of bungama bess

Bungama Battery Energy Storage System (BESS) --
