SWISS SOLAR Pro.

Titan energy systems

Überblick

designs, manufactures, and sells solar photovoltaic modules and specialty solar products. Titan Energy Systems is an early stage company based in Secunderabad (India), founded in 1995 by Shankar Rao Chodagam. The Company also undertakes design, construction, operation and maintenance of grid-connected and off-grid solar systems for end customers. Titan Energy is an independent, supplier-neutral energy management and consulting firm with more than 20 years of experience helping customers across North America reduce and control energy costs. We specialize in electricity and natural gas procurement, demand-side management, and on-site. It offers crystalline, amorphous, and CIGS power modules, as well as provides consumer photovoltaic products, such as lanterns, pheriphery lighting, home lighting, and water pumping. Company profile for solar panel, seller and installer manufacturer Titan Energy Systems Ltd.
