SWISS SOLAR Pro.

Tsm 445de17m wie viel

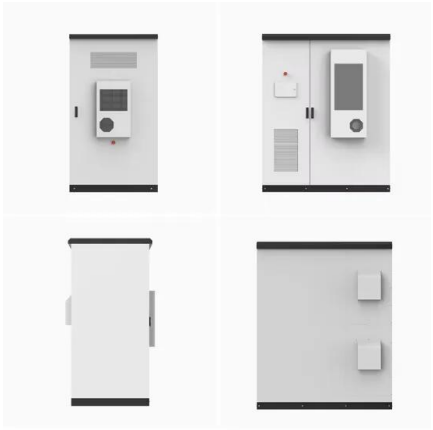

Überblick

Despite its high power output, the panel weighs 24 kg and has relatively compact dimensions of 2102 by 1040 by 35 mm. The anodized aluminum frame is resistant to corrosion, which increases the overall service life of the module. Detailed profile including pictures, certification details and manufacturer PDF

Big selection Trina Solar TSM-445-DE17M (II)445Wp - Solar Panel order now from Secondsol. Founded in 1997, Trina Solar is the world's leading total solution provider for solar energy. With local presence around the globe, Trina Solar is able to provide exceptional service to each customer in each market and deliver our innovative, reliable products with the backing of Trina as a strong.
