SWISS SOLAR Pro.

Vimab bess hersteller

Überblick

Vimab BESS AB delivers large-scale battery energy storage systems and related services for commercial, industrial, and energy-sector clients. We deliver profitable and reliable energy solutions, ranging from battery installation and service to proprietary energy trading algorithms. Our corporate group promotes the environment in various ways through our subsidiaries and associated companies. Together, they form a comprehensive solution that maximizes energy use, minimizes costs, and contributes to a greener future. Madrid, Spain – November 19, 2025 – At the 2025 GENERA Energy And Environment International Trade Fair in Madrid, EVE Energy and Swedish energy storage system integrator Vimab BESS AB officially signed a three-year Memorandum of Understanding (MoU).
