Dermaga Diraja Bandar Seri Begawan

The harbour at Kampong Ayer, historically known as Labuhan Kapal, has long been central to Brunei's trade activities. Based on Francisco de Sande's notes from the Spanish naval commander's voyage during the Castilian War in 1578, there is a record of this strategic port serving as a trade hub for the centre of the archipelago. In the 17th century, Kampong Ayer became known for its traditional floating market activity calle
