SWISS SOLAR Pro.

Watt solarkontainerbox

Watt solarkontainerbox

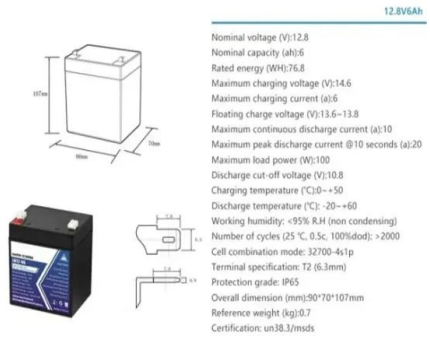

Présentation PowerPoint

Possible Mobil-Watt add-ons : Connection to a container based water purification system : from 1 to 40 m3/h capacity per unit, depending on the quality of water made at disposal and expected to be

WattBox

WattBox Solar provides shipping container based solar systems to power remote operations. Industrial solar, solar rentals, solar leases, sea can solar, shipping container solar, mining solar, oil and gas

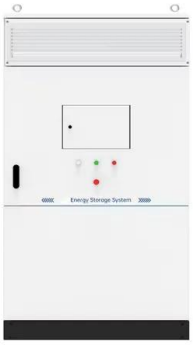

SolaraBox Solar Containers , Products & Configurations

We are a professional manufacturer of integrated solar container systems. SolaraBox solar containers enable customers to achieve greater energy independence and reduce carbon emissions. By

Mobil-Watt®

Mobil-Watt® is a high capacity solar generator plant in a 20 feet container for fast, autonomous and reliable electrification in off-grid areas. Easy to transport and ready to use in less than 3 hours in full

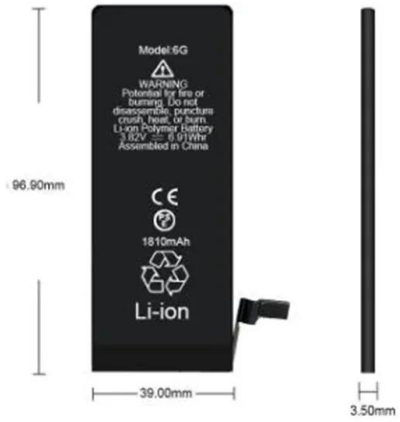

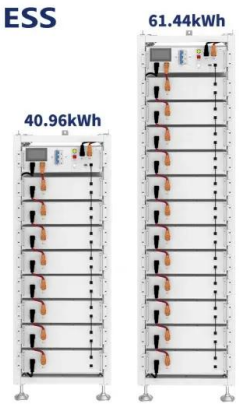

Container Cool-Watt

Cool-Watt® is a solar power plant designed as a 20 feet maritime container, pre-cabled and pre- ering or specialists. This container includes the conversion and batteries and is equipped with an insulated

Fix-Watt® solar container , ECOSUN innovations

The Fix-Watt® is an ISO sea container, CSC certified, which integrates a photovoltaic power plant, ready to be deployed on the ground via ballast boxes. This container can optionally be equipped with

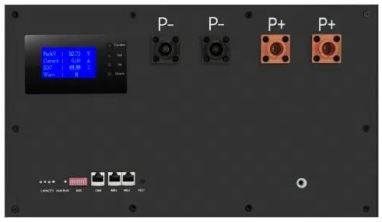

Technical datasheet Container Mobil-Watt® (8 Models

The mobile solution for the electrification of isolated areas Mobil-Watt® is a solar power plant designed as a maritime container, ready-cabled and connected so that it can be deployed in less than 2 hours

Frame-Watt® solar frame

The Frame-Watt ® 6 or 12 panels is a kit that can be installed on a modular construction, sea container or bungalow. It allows to produce energy in self-consumption or total autonomy.

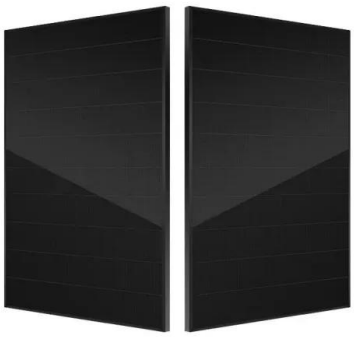

Shipping Container Solar Off-Grid Lighting System , Wattworks

System Ranges 2-6 DC LED A Bulbs (1050 lumens each) (20-40 ft shipping container depending on amount of light needed) 960 Watt-hour Battery with controls and PnP connectors 100-200 Watts of

Multiple Shipping Containers Solar Off-Grid Lighting System

This medium solar power system will provide lighting for multiple shipping containers. The lights can be a string of DC LED A bulbs or 4' Vaportite DC LED fixtures which operate on a timer switch. The

Solar Panels for Shipping Containers

Upgrade your shipping container home or office with a solar power kit and make the transition to off the grid living effortless! This system is designed to easily connect all your essential appliances (air

Products, portable solar-powered electricity generators

Our ready-to-connect, portable solar-powered electricity generators come in a wide range for use in the military, agriculture, pumping and for providing electricity to rural areas.

Globaltainer GmbH · Container » Mieten & Kaufen

Es ermöglicht die Energieerzeugung für den Eigenverbrauch oder in völliger Autonomie und somit die Energieversorgung des Containers oder Bungalows.
