SWISS SOLAR Pro.

Wavja inc hersteller

Überblick

specializing in manufacturing, testing, packaging and fostering industry collaborations, Wavja Inc. Solmet LLC was established in 2022 by San Cheng, the innovator behind Photon Energy System. The PES amplifies power output by 20 times compared to conventional solar panels and is in development to potentially reach up to 60 times the current. Secretary of War Pete Hegseth visited the L3Harris Technologies (NYSE: LHX) Camden site today as part of his nationwide “Arsenal of Freedom” tour, highlighting the importance of American manufacturing capacity in strengthening the defense industrial base and supporting U.
