Überblick

60673€286,00Ursprünglicher Preis war: €286,00€48,00Aktueller Preis ist: €48,00. The Risen RSM144-9-550M solar panel is a high-performance module designed for residential, commercial, and utility-scale solar power systems. Featuring a silver frame and utilizing advanced monocrystalline PERC cell technology, this panel delivers exceptional efficiency and reliability. The electrical data of the 10% rear side power gain is consistent with the BNPI data. BNPI: front side irradiance 1 000 W/m2, back side irradiance 135 W/m2, 25 °C, AM 1.
